PROJECTS

[View Portfolio](#)

LOCAL COFFEE SHOP WEBSITE

Recreated an outdated website for a local coffee shop.

- Created with HTML5, CSS, jQuery
- Created a new look and feel to the website.
- Took all of the information from the old website and put it on the new website.
- Added more information as well like the reviews about the coffee shop.
- Implemented enhancements that improved web functionality and responsiveness.
- Full mobile functionality.

SPACE WEBSITE

Information about space related topics through web API's.

- Created with React.
- Used web API's from the Nasa website in order to fetch data and display it.
- Fully animated through CSS keyframes animations.
- Fully functionality in terms of responsiveness.
- Fully mobile friendly.
